# ABOUT THE TEXAS ROLLERGIRLS

The Texas Rollergirls are the originators of Flat Track Derby.  
We started the sport in Austin, Texas in 2003 and it spread to  
hundreds of cities around the world.

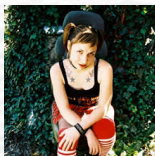

Our founders Annie Social, Bettie Rage, Electra Blu, Hydra, Strawberry,  
and Wrench came together to form a skater-run league whose method of  
play caught on around the US. In 2005, the Texas Rollergirls helped found  
the Women's Flat Track Derby Association (WFTDA), which established the  
production of a standard track design, game rules, and facilitation of  
inter-league play. In 2006, the WFTDA organized their first multi-league  
flat-track roller derby tournament (The "Dust Devil"), won by the  
Texas Rollergirls' travel team, the Texecutioners.

Today, we have four home teams:

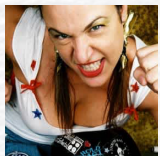

Hell Marys, Honky Tonk Heartbreakers, Hotrod Honeys and the Hustlers.  
Home team players also compete regionally and nationally as the Homies.

We have two all-star travel teams made up of members from all four home  
teams. Our travel teams compete internationally within the Women's Flat Track  
Association (WFTDA) as the Texecutioners (A), currently ranked number two in  
the South region, and the Chainsaws (B), ranked number 10 in the same region.

# ROLLER DERBY 101

Roller derby consist of two 30 minute halves. Each half is played in increments called, “jams.” Each jam lasts up to two minutes. Both teams field up to five skaters at the start of the jam. Four of these skaters are, “blockers” and one is the, “jammer.” The Jammer wears a helmet cover with a star and scores points for the team. The Blockers play both offense and defense at the same time and together they make up what is called “the pack.”

The two opposing Jammers start each jam behind the pack (behind the jammer line) and must go through all of these skaters for an initial pass before they can begin to score points. When the initial pass is complete, a Jammer scores one point for every opposing Blocker they pass with their hips. The first Jammer that “legally” gets out of the pack is declared “Lead Jammer,” which means they can end the jam (by tapping their hips) anytime they want before the two minutes are up.

# REMEMBERING WILD BILL

We pay tribute to a true legend in the world of skateboarding and roller derby, William W. Walker, affectionately known as Wild Bill. Since the early 80s, Wild Bill has been a fixture in the Texas skateboarding scene, leaving an indelible mark on the sport and the community. His passion for handcrafted protective gear through Pro-Designed, Inc. revived the love for skateboarding, roller derby and quad skating in the past two decades.

William W. Walker, founder of Pro-Designed, Inc., proudly sponsored skateboarders and roller derby skaters worldwide. Among his extensive list of sponsored athletes, he took particular pride in Tony Hawk, knowing that his elbow pads were worn by the skateboarding icon. When Tony Hawk landed the historic 900, he was donning Pro-Designed elbow pads, a testament to the quality and impact of Bill's products. As we mourn the loss of Wild Bill, we must also acknowledge that his handcrafted pads have become legendary in our community, influencing and inspiring other protective gear companies to evolve for the better. Wild Bill was a true Texas craftsman, creating the best protective gear in the world. Countless skateboarders and roller derby athletes reached new levels of skill and confidence thanks to his contributions.

# JOIN THE TEXAS JUNIOR ROLLER DERBY

Located in Austin, TX, the birthplace of modern flat track roller derby, Texas Junior Roller Derby (TXJRD) is a 501c3 non-profit junior sports club, focused on building character and leadership through roller derby. Our Mission is to provide young athletes with the opportunity to engage in the sport of roller derby. TXJRD is more than a competitive junior derby team. We actively work to cultivate a sense of community through practices, social activities and scrimmages/bouts. We genuinely enjoy spending time with one another, learning, and growing together.

TXJRD works with 8-17 year olds who range from beginners with no prior experience to more advanced derby players. We practice weekly at the Millennium Youth Entertainment Complex and Bartholomew Skate Track in Austin. Texas Junior Roller Derby is a full contact youth sports club with skaters at three skill levels:

**Level 1 - Beginner.** There is no contact playing at this level.

**Level 2 - Intermediate.** There is minimal contact at this level.

**Level 3 - Advanced.** This is full contact play, eligible for Travel Team.

Our coaching staff consists of Texas Rollergirls skaters, PeaceWar, Hot Pepper, Hauss The Boss, Zia Later, and Pop.
